TEC workplan 2016-2018: Climate technology finance activities

1. Provide input to SCF into 6th review of the Financial Mechanism
2. Provide input to SCF into the draft guidance of the operating entities of the Financial Mechanism
3. Prepare inputs to present the outcomes of TECs work on innovation and RD&D to the GCF Board at its 18th meeting
4. Prepare inputs for GCF annual meeting with the UNFCCC Thematic Bodies to be held in conjunction with COP 23
5. Update on progress in undertaking the evaluation of the Poznan strategic programme

1. Provide input to SCF into 6th review of the Financial Mechanism

- TEC provided its input for consideration by the SCF in preparing its expert input to the 6th review of the Financial Mechanism.
- Input focussed on TEC areas of work of relevance to the preparation of expert input to the 6th review by the SCF, including TEC work in the areas of climate technology financing; TNAs; and innovation and RD&D.

2. Inputs to SCF into the draft guidance to the operating entities of the Financial Mechanism

- Taskforce prepared draft inputs into the draft guidance for consideration at TEC 15.
- GCF and GEF annual reports formed basis for these inputs.

3. Prepare inputs to present the outcomes of TECs work on innovation and RD&D to the GCF Board at its 18th meeting

- Taskforce identified elements for inputs to GCF Board for consideration at TEC 15.
- Elements build on work undertaken by the TEC on innovation and RD&D.

4. Prepare inputs for GCF annual meeting with UNFCCC Thematic Bodies to be held in conjunction with COP 23

- TEC Chair participated in first GCF annual meeting held in conjunction with COP 22.
- GCF secretariat representative has been invited to elaborate on the scope of the second GCF annual meeting.

5. Update of the evaluation report of the Poznan strategic programme

- Task force assessed availability of sources of information relevant for the PSP evaluation for consideration at TEC 15.

At TEC 15

Agenda item 5(b)i. Input to the SCF into the draft guidance to the operating entities of the Financial Mechanism

TEC will be invited to consider the draft inputs prepared by the task force and agree on TEC's inputs for the draft guidance to the OE of the FM.

Agenda item 5(b)ii. Inputs to present the outcomes of the TECs work on innovation and RD&D to the GCF Board

TEC will be invited to exchange views on the inputs to be presented to the GCF Board at its 18th meeting through the participation of the TEC Chair and agree on any follow-up actions, as needed.

At TEC 15

Agenda item 5(b)iii. Inputs for the annual meeting of the GCF with the UNFCCC Thematic Bodies to be organised in conjunction with the COP

TEC will be invited to exchange views on the strategic issues the TEC may wish to discuss at the annual meeting including expected outcomes with a view to enhancing collaboration and ensure coherent delivery of support from the GCF and the UNFCCC thematic bodies.

Agenda item 5(b)iv. Update of the Poznan strategic programme evaluation report

TEC will be invited to take note of its progress to update the PSP evaluation, and identify next steps for completion of the updated evaluation report in 2018.
