

# TEC task force on mitigation

## Status of the work undertaken since TEC 13

Technology Executive Committee, 14<sup>th</sup> meeting  
Bonn, Germany, 28 – 31 March 2017

***Mr Ian D. Lloyd***  
***Member of the task force on mitigation***

## Work undertaken since TEC 13

### Rolling workplan of the Technology Executive Committee for 2016-2018

**Workstream 1: Analyse technology issues and provide policy recommendations**

**Relevant functions/decisions:** Decision 1/CP.16, paragraphs 121 (a), (b), (c), (d), (e), (g)

**Strategic outcome:** Parties have access to technology analyses, guidance, policy recommendations, road maps and other facilitative tools to support their enhanced action on mitigation and adaptation

Thematic area	Activities	Deliverables	2016	2017	2018
Mitigation	5. Suggest future topics and provide inputs on the organisation of TEMs, based on analysis of TNAs, NDCs and inputs from activity 25	5. Inputs for the organization of TEMs	X	X	X
	6. Take forward TEP outcomes, taking into account the policy options, identify gaps and replicable best practices or enabling policy conditions for NDCs, as possible topics for TEC Brief and/or a thematic dialogue	6.1 Thematic dialogue and/or TEC Brief (2017-2018) 6.2 Report on TEP work in joint annual reports	X	X	X

**Workstream 2: Catalyse support and facilitate and promote technology cooperation and partnership to scale up implementation of actions**

**Relevant functions/decisions:** Decision 1/CP.16, paragraphs 121 (b), (c), (d), (e), (f), (g)

**Strategic outcome:** Parties receive effective support to accelerate the implementation of technology policy recommendations, action plans, programmes and projects

Thematic area	Activities	Deliverables	2016	2017	2018
Mitigation	21. Provide inputs and updates on its TEP work during the TEMs on mitigation	21. Inputs and presentations in the TEMs on mitigation	X	X	X

**Workstream 3: Work in collaboration with CTCN to promote coherence and synergy within the Technology Mechanism**

**Relevant functions/decisions:** Decision 1/CP.16, paragraphs 118, 126, 127, Decision 17/CP.20, paragraph 3

**Strategic outcome:** Parties are served by the Technology Mechanism in a coherent and effective manner

Thematic area	Activities	Deliverables	2016	2017	2018
Mitigation	25. Seek inputs from the CTCN on suggestions for future topics for TEMs on mitigation	25. Inputs for the organization of TEMs on mitigation	X	X	X

As per activities **5,6 and 21** the TF conducted the following work:

## Work of the task force:

### Activity 6: Take forward TEP outcomes

- Guidance on technical paper on industrial EE
- Preparation of thematic dialogue on industrial EE
- Conference calls and email exchange to steer the process

### Activity 5+21: Provide inputs and updates for the organization of TEMs

- TEC Chairs send recommendations for the organizations of future TEMs
- Received invitation to participate in TEM-M during SBs 2017 in Bonn
- Started preparation of concept note on possible TEC engagement during TEM

## TEC 14: Outcomes of work of the task force

- **Agenda item 5.c) i.** *” Thematic dialogue on industrial energy efficiency and material substitution in carbon intensive sectors”*
  - ❑ Technical paper on industrial energy efficiency
  - Presentation by consultant during the thematic dialogue; possibility for any follow-up decisions under item 5.c) i. (Thursday)
  
- **Agenda item 5.c) ii.** *“Inputs for the technical expert meetings on mitigation”*
  - ❑ Invitation to host thematic event on *“Innovative policy and technology solutions”*
  - To be discussed in TEC plenary under item 5.c) ii. (Thursday)

*Thank you!*
